What is your spaghetti policy?

Let's create something with our hands, as we explore the depths of nature...

Well you seem cool. Hope that's going well

Dtf?

I am new in town could you give me direction to your apartment ?

Pretty pics! I cant lie. I would love to dominate you, please you, spoil you but i could settle for cooking you dinner or catching a drink

Hey lil mama let me whisper in  
your ear

Mmm you have the sexiest lips,  
goddess

Hi there how are you this morning?? ☕🍰🍩 I really liked your profile, and you are very attractive, seems like the whole package. Besides the "same as everyone else" reason to be on here I'm surprised you are on this, and aren't already swooped up?! Better off, for me to get a chance if you want, to know each other a bit more? Your call :-)

Your name sounds like the  
noise I make when I see a  
spider

eyebrow game on fleek

I've never written or said that before but Idk if I'll ever mean it more than i do now

lol
